Let's Walk!

Michigan's Capital Area has over 150 Parks and Trails for use by anyone who seeks the serenity of nature, the excitement of recreation, or a walk in the woods beside a river or lake. Walking manages stress, strengthens your heart, increases stamina, improves fitness, and is good for your bones. It is easy to do, and all you need is a good pair of shoes. Walk with a friend, a team, a pet, or by yourself. Benefits are endless, and most of all, walking feels great. This brochure highlights 36 destination parks and trails. Most of these parks are universally accessible. The lists here are not complete descriptions, only a directory and a map to get you going.
