

THE CHANGING LANDSCAPE OF NURSING VIEWS FROM THE SUMMIT

MICHIGAN NURSING SUMMIT 2017

Overview

The Michigan Center for Nursing's Michigan Nursing Summit is an annual event that convenes nurses from all over the state of Michigan. This year's Summit will equip nurses with a broader lens; to widen their view of current events in Michigan that are changing the landscape of healthcare now and into the future. Topics will include: chronic pain management, human trafficking, civility in nursing, board leadership, culture of health and primary care, complementary medicine, and relationship based care.

When

October 11, 2017: Screening of *The American Nurse*

Optional Board Leadership Workshop

October 12-13th: Main Conference

Where

Crystal Mountain
12500 Crystal Mountain Dr.
Thompsonville, MI 49683

Mention this event for group pricing.

Contact Hours

This activity will be submitted for approval to award nursing contact hours by an accredited approver of continuing nursing education. Details will be provided when approval is granted. For more information regarding contact hours, please call Stacie Longwell Sadowski at 517-908-8236.

Objectives

1. Describe leadership skill development, including inter and intra professional collaboration needed for healthcare transformation.
2. Discuss current healthcare trends and issues requiring nursing leadership for individual patients, systems, and vulnerable populations.
3. Discuss opportunities for nursing leadership in patient, systems and community to create a culture of health.

Registration

Early Bird (End August 1, 2017): \$195

Regular: \$225

Retiree (RN 65+ and not employed): \$120

Pre-Licensure Nursing Student: \$120
