5:30 pm – 6:30 pm Continuing Nursing Education (CNE) Presentation

Pain Management Using Guidelines in Clinical Practice

Michelle Milam, RN, BSN
Medical Services Coordinator
Ingham Health Plan Corporation

Objectives: At the end of this session, participants will be able to:

- Explain the types of pain, acute and chronic.
- Describe current issues related to opioid prescriptions in Michigan and the US.
- Explain model guidelines and policies useful in prescribing opiates in primary care and emergency department settings.
- Identify the role of nurse in supporting and implementing guidelines in clinical practice related to chronic pain management and opioid use.

Continuing Nursing Education: Participants who attend the entire session and complete an evaluation will receive a certificate for 1.00 contact hour.

Michigan State University College of Nursing (OH-294, 08/01/15) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
